MEMORANDUM FOR: Director of Central Intelligence

THRU : Frank C. Carlucci
Deputy Director of Central Intelligence

Robert R. Bowie, Director
National Foreign Assessment Center

SUBJECT : Indications and Warning Seminar Scheduled for
26-27 September 1978

1. Action Requested: Your approval of the recommendation in Paragraph 4.

X1 2. Background: [] has invited you to be the
keynote speaker at DIA's semi-annual Indications and Warning Seminar
X1 on 26-27 September 1978 (Attachment A). You had previously approved
a recommendation by [] that you speak to this group
(Attachment B).

3. In your comments on Attachment B, you also asked that D/CT and D/NFAC jointly prepare recommendations on how you and the various organizations directly subordinate to you could function in the I&W context. Coincidentally, the DDCI has asked the D/CT and D/NFAC to sort out our internal procedures for crisis management, including I&W. Also coincidentally, the DIA Warning Improvement and Study Plan (WISP) Steering Group has indicated a need for some sense of how the DCI sees his role in these matters within the next few months. I am currently chairing a joint CT/NFAC working group to prepare a draft response to all three of these largely overlapping requirements for your approval, with a tentative target date of 26 May for an initial draft. With any luck, we ought to be able to have this staffed out and settled before September. Thus, the I&W seminar would provide an appropriate forum for you to express your views.

K1 4. We recommend that you accept this invitation. I have asked to reserve space on your calendar in case you wish to do so. A letter of acceptance is attached for your signature.

(SIGNED)

Richard Lehman
